Cleaning and Care

To maintain its pristine condition, regular cleaning is recommended. This involves:

- Disassembling the nib and feed for gentle cleaning
- Using soft cloths to wipe the exterior surface
- Avoiding abrasive cleaners that could damage the finish
- Regularly refilling or replacing ink to prevent clogging

Proper storage—preferably in a dedicated case or stand—helps prevent scratches and accidental damage. If the pen features a piston or vacuum filling system, periodic maintenance of the filling mechanism ensures consistent performance.
